The nonprofit groups plans similar, town-hall style meetings in King, Snohomish and Kittitas counties as the first stage of a planning process called the Cascade Dialogues.

Eventually, leaders of the group will draft a strategic plan to preserve and restore important undeveloped lands.

The meeting will be from 6 to 8 p.m. at the Tacoma branch of the Mountaineers club, 2302 N. 30th St. For information, go to [www.cascadedialogues.org](http://www.cascadedialogues.org).
